at Council Rock North

- 120 - **Luke Lucerne** dec. Eamonn Logue, 6-4 (3)
Luke used a reversal and a two point near fall late in the 3rd period to take the come from behind win over Logue in the opening bout. **Luke's** never give up attitude is what pulled this out.
- 126 - John Matthews pinned **Dan Fitzgerald**, 2:50 (3-6)
Dan wrestled a good bout. Senior John Matthews was just a little too much for the freshman. If **Dan** continues to improve he will be a real asset over the balance of the season.
- 132 - **Tyler Capriotti** won by forfeit (9-6)
- 138 - Caesar Fountain maj. dec. **Sammy Hayes** 12-2 (9-10)
Judge's Fountain came into the bout with an unblemished 9-0 record. He proved he was the real deal outscoring a quality wrestler like **Sammy**.
- 145 - **Cameron Robinson** dec. Mathew Kidwell, 14-8 (12-10)
Cameron's score looks a lot closer than it actually was. Kidwell's point came mostly by way of escapes as the bout became a takedown/escape affair. With this win, **Cameron** raises his record to a very impress early season 9-1.
- 152 - **Shane Thompson** pinned Brenden Spicer, 1:50 (18-10)
After taking 4th place at the Penn Manor tournament last weekend at 138, **Shane** moved up to take on Judge's fifty-two pounder. He took Spicer down to his back and the pin was called 3/4 the way through the first period.
- 160 - Danny Wildonger pinned **Sean Beverly**, 3:18 (18-16)
Wildonger ruined **Sean's** varsity debut. He was put in a tough spot, having to fill in for the injured Nick Nucero. He wrestled a good first period and got caught deep into the second period. **Sean** needs a couple more matches. and he'll do just fine.
- 170 - Dan Dugan pinned **Alex Roe**, 1:24 (18-22)
Another young first starter on the varsity, The senior from Judge was just too much for **Alex**. A good experience for the sophomore that will help dispel the butterflies next time.
- 182 - **Mateo Sienkiel** won by forfeit 24-22)
- 195 - **Blake Silber** dec. Sebastian Plummer, 4-2 (27-22)
His first four appearances on varsity were all losses so this was a big win for the freshman. **Blake** showed improvement in each of his previous matches and confidence showed in this one as he outscored a pretty good wrestler from Judge. Only good things for **Blake** from here on out.

220 - [Robbie Kay](#) won by forfeit (33-22)

285 - Bobby Mair dec [Chantz Kouveras](#), 1-0 (33-25)

[Chantz](#) works hard but just can't get a win. In this one, the only scoring went to the Judge wrestler with an escape in the second period. A little more hard work in the wrestling room and the win will come for the big guy.

106 - [Kyle Hauserman](#) pinned Max Edwards, 2:31 (39-25)

[Kyle](#) scored a takedown and three near falls for 11 points in the first period. He finished the job with the pin in 0:31 of the second period. [Kyle](#) is having a great year with nine wins and his only loss coming in the finals last week at the Penn Manor Tournament.

113 - Liam Logue dec. [Johnny Shalinsky](#), 9-3 (39-28)

Seems [Johnny](#) always catches the tough ones. Logue came into the match undefeated. Last weekend [Johnny](#) lost to the number one seed in the Comet Classic tournament and another Liam from Dallas. Some tough losses but he'll do just fine for the rest of the year and will end up with a very respectable finish.

North is off until after Christmas then they will travel up to the Lehigh Valley to compete in the Bethlehem Liberty Holiday Tournament. There'll be some tough competition there. And then on the 4th of January the Indians will take on the Hawks from Council Rock South for the Unity Cup. That's always a good one. This year the match is on a Thursday Night. Be there if you can
