

# Council Rock North Wrestling Penn State University Team Camp 2018

## Team Camps:

### July 7-10 or July 11-14

The *Team Camps* will give wrestlers in **grades 7-12** a balance of intense competition and outstanding instruction in each session, while also providing a unique bonding experience between the wrestlers and staff members of both levels. We have set up the team camps to enable schools to bring together both junior high and senior high staff members to enhance their camp experience and bring unity to their program; junior high teams will compete against other junior high teams when it is possible. In previous years, coaches have embraced our flexibility and arranged to have their ninth graders wrestle on either the junior high and/or senior high team in order to create the best match. **Those teams bringing a junior high team are encouraged to attend the first session of our team camps. (Please check "other" on the registration form.)** This will allow junior high students an opportunity to get more matches against wrestlers of the same age and experience level. An individual takedown tournament will conclude the camp.

**Who: Students grades 7-12**

#### Fees:

**\$450** per person resident (includes instruction, housing, meals, camp shirt)

**\$375** per person commuter (includes instruction, all meals, camp shirt, no housing)
