The Owls are having a hard way to go this year. They have yet to get a win in the SOL National Conference in four tries and only have a 5-11 overall record. Problem is they give up 3 or 4 forfeit in every match. North had that same problem early on but have since cobbled together a full lineup so this one could be anybody's guess.

Council Rock North took ten of the 14 individual bouts. The 132, 138, 152 and 285 went to the Owls while the Indians collected wins by way of fall by; **Kyle Hauserman** (113), **Luke Lucerne** (126), **Cameron Robinson** (145), **Brendon Hardy** (160) and **Emir Elbarouki** (220). **Anthony Burke** (106) WBMD and **Blake Silber** (182) WBD. **Tomasso Meara** (120), **Dillon Sheehy** (170) and **Alex Roe** (195) WBFF. Final score, CRN 55 BE 21.

Next week on Wednesday February 6th North will travel to the Falcon's nest to take on Pennsbury for the final dual meet of the season. Under new coach Wayne Stinson the Falcons have racked up a much improved season record of 13-9 and an SOL record of 2-3. This should be a good test for the Indians. going into the post season. Wrestling is scheduled to start with the JV at 5:30 followed by the varsity at 7:00pm.
