

Fifty-seven teams from the four county area came together at Souderton Area High School for the 2019 Regional Tournament. Council Rock North entered the five wrestlers that qualified at last week's District East tournament. Of those five, four will be going on to States next week at Hershey. Equally important, those four wrestlers compiled enough point to have CRN finish in second place overall in this year's Regional tournament. A terrific showing for the boys from Newtown.

From his number one seeded spot, **Kyle Hauserman** recorded three falls on his way to the 106 championship finals. There he met up with Waterman from Council Rock South. **Kyle** wrestled Waterman in last week's finals at Districts. That one ended with **Kyle** out scoring Waterman 1-0 in overtime to claim the District title. This week a 2-0 win and **Kyle** will be making his second trip to Hershey as this year's Southeast Regional Champion. It wouldn't be a stretch to see **Kyle** and Waterman meet again in the finals next week in Hershey.

Luke Lucerne just has to do things the hard way. Last week, at Districts he lost his second 120 pound match in the championship round and moved to the consolations where he eventually met and defeated Quakertown's Corey Cope in the consi finals to take 3rd place. This week, déjà vu all over again. **Luke** lost his 2nd match in the championship round, moved to the 2nd round of consolations and pulled off one of the best come backs of the day. He put together four decisively wins in a row to take third place and more importantly assuring himself a seat on the bus to Hershey next week. If that wasn't enough, he also registered his 100th win along the way. This will be **Luke's** third trip to Hershey finishing in sixth place as a freshman. Let's hope there is yet another State medal in his future.

Cameron Robinson just keeps rolling along. After three impressive wins, in the preliminary rounds, he met A.J. Tamburrino from William Tennent in the 145 pound Regional finals. In last week's District's finals **Cameron** outscoring Tamburrino by a 4-3 score, this week a 7-5 win and **Cameron** heads to Hershey as the Southeastern Regional Champion. This will be **Cameron's** third trip to Hershey in as many years. Last year he finished in fifth place, if he wrestling the way he has for the last couple of weeks he has a legitimate shot at placing again for the second year in a row.

Dillon Sheehy finished in second place at Districts last week and didn't get a very favorable seeding at Regions. After two consecutive pins in his first two matches **Dillon** met up with Daniel Mancini the number two seed from Owen J. Roberts. Mancini came into the Regions with just two losses on his record. After his semi finals match with **Dillon** he had three loses. That 8-6 win over Mancini setup a repeat of last week's District 152 pound finals match with Neshaminy's Jackson Erb. Last week **Dillon** lost to Erb 2-3. This week the wrestling shoe was on the other foot. The match ended with a 1-1 tie and went into overtime. **Dillon** scored a reversal with 0:22 to go of the 3rd OT period to take the 152 pound championship by a score of 3-2 and assure his second trip to Hershey. This year as a much improved wrestler he has a really good chance at a State medal.

State's first sessions are scheduled at 4:00pm and 8:15pm on Thursday the 7th. Friday's sessions are at 2:15pm and 5:00pm. Saturday session are 9:00am with the finals at 7:00pm. Should be a great tournament for North. GO INDIANS!!
