

Truman has had its problems over the last few years. This year looks like a rebuilding situation with a lineup loaded with underclassman. They appeared well coached and ready to wrestle but they just didn't have enough for the Indians and having to surrender four matches by forfeits didn't help matters.

Wrestling started with *Kyle Hauserman* at 126. *Kyle* pinned Connor Morgan in 0:19. At 132 *Luke Lucerne* followed with a 0:39 pin of his own against Kayden Rossi. Both *Kyle* and *Luke* remain undefeated at 11-0 and 6-0 respectively. The Tigers took the 138 and 145 pound matches setting the team score at 12-11.

North recorded three consecutive falls in the 152, 160, and 170 weight classes. *Sammy Hayes* pinned Mike Goldey Jr. in 0:39, *Cameron Robinson* took 1:42 to pin John Mellor and *Dillon Sheehy* recorded the fall over Terrelle Darceus in 2:34. *Cameron* and *Dillon* kept their undefeated records in tact at 11-0 and 9-0. *Sammy Hayes* has the most wins so far this year with his 13-1 record. *Blake Silber* and *Brendon Hardy* both won by way of forfeit in the at 182 and 195.

At 220 *Roni Elbarouki* held on to defeat the Tigers Dallas Andrews 3-2. *Max Harar* had his hand raised with Truman forfeiting the 285 pound match. That put the score at 51-11 at that point with three matches to go.

Truman took the 106 match before forfeiting to *Anthony Burke* at 113 and closed out the evening with a win in the 120 pound contest. Council Rock North took their league opener by the final score 57-23.

North will be off until after Christmas when they will travel west to Canon McMillan High School to compete in the Powerade Tournament. The Powerade is a highly regarded tournament with over 50 schools competing. Teams from as far away as Texas will be represented. This will be quite a test for the boys from little old Newtown.

P.S. Thanks fellows for the birthday wishes. They are greatly appreciated.
