Council Rock North got its first Powerade Champion this year with **Kyle Hauserman's** first place finish at 120 pounds. It wasn't easy, after advancing to the semi-finals via a fall, a 3-0 shutout and a 9-1 decision **Kyle** met up with Joey Fischer from South Park High School. Fischer, a Junior, came into the match with a 12-1 season record and an overall record of 86-11. There was no scoring in the first three periods and the match had to go to overtime. The fourth, fifth and sixth Tie Breaker periods also went scoreless until the match was finally decided when **Kyle** reversed Fischer six seconds into 7th Ultimate Tie Breaker. The finals weren't any easier with that contest against Dominic Chavez from Arlington James Martin High School, Arlington, Texas also going into extra innings. The match wasn't decided until **Kyle** managed an escape ten seconds into the 6th UTB. None the less **Kyle** earned his way to the top of the podium and kept his undefeated season going. He now stands at 16-0 and just 3 wins short of 100 at 97 overall wins.

Dillon Sheehy got his second trip to the Powerade podium this year with a fourth place finish in the 160 pound weight class, last year **Dillon** took an 8th place. Just as importantly, **Dillon** tacked on five big wins to his record and earned that elusive 100 win in the sixth round of consolations with a 5-0 shutout decision over Camden Catholic's Harrison Hinojosa.

Last year at 145 pounds **Cameron Robinson** placed 4th at the Powerade. This year at 152 a 5th place finish. To place in this prestigious tournament is quite an achievement to place twice is outstanding. Way to go **Cameron**.
