

Neshaminy
January 15, 2020

The Neshaminy match was one of several this year that has been settled by as few as three points. All of those matches saw North and their opponent split the fourteen individual matches 7 and 7. Tonight's 38-33 outcome was one of those 7-7 split and the 5 point difference was because all 7 of North's wins were via bonus points. If Council Rock North is to do well in the upcoming District Duals, they will have to continue that trend because as the competition gets tougher, wins are going to get harder to come by and bonus points will be the only way they will be successful.

This weekend North will compete in the Escape The Rock tournament at Council Rock South. On Saturday Jan. 18th wrestling is scheduled to start at 10:00am and on Sunday the 19th at 9:00am. The following Thursday Jan. 23rd the first round of District Duals will be at West Chester Henderson starting at 5:30pm. A lot of tough wrestling in the next few weeks. If you haven't had the opportunity to see North compete, you better hurry because the season is more than half over and only a few more chances remain to see some really great high school wrestling.
